Name: Bullet Ant

Age: Seven

Tribe: Rainwing/Skywing

Parentage: Jaguar (Male Rainwing) Crimson (Female Skywing)

Backstory: Crimson went on an expedition to the rainforest to find a cure for Sandwing stings(sound familiar) and ran into Jaguar, one of the nurses who was able to give her a cure. They fell in love, and after leaving the rainforest and finding a home in Possibility, they had Bullet Ant.

Abilities: Bullet Ant has a stinging venom that sets on fire after hitting the oppenent, melting them and burning them. She can breath fire in any weather and has poison in her back talons.

Bullet Ant has the color changing scales of a Rainwing and has the regular color colors of purplish-pink, with hints of gold around her wings and horns, and blue feet. She has the large wings of a Skywing, the long horns of a Skywing, and the prehensile pink tail of a Rainwing.
